For those coming IN-PERSON to WORSHIP

1. **Face masks** encouraged for all when in our sanctuary.
2. **Continue leaving space in pews between worshippers**; be respectful of those coming to worship 'in-person' needing space; avoid sitting directly 'behind someone' who is not in your household (singing can increase risk of spreading COVID).
3. **After worship** has ended, please **visit outside** on church deck with family and friends, in the fresh air.
4. **If feeling ill**, running temperature, or recent exposure to someone with coronavirus, please continue **worshipping with us online** on our facebook page—Thank you for looking out for the health and well-being of our community!
